<p>4 Exercises</p> <ul style="list-style-type: none"> <li>• 15 jumping jacks</li> <li>• Walk for 5 minutes outside</li> <li>• 5 sit ups</li> <li>• Stand on your left foot for 10 seconds, then your right</li> </ul>	<p>15 minutes on IXL</p>	<p>Use order of operations to solve this problem (PEMDAS)</p> <p><math>7 \times 3 + (21/3) - 2 =</math></p>	<p>Write 5 three-digit addition problems and then solve them</p> <p>Example: <math>324 + 857 = 1181</math></p>

# Reading Choice Board April 20th-24th

Choose 4 activities

Have a parent initial box when you complete activity. Anything you have to write, you can use paper or your computer. Take a picture of your paper and email or text to Miss Peterson, along with your parent initials of the four activities you choose. If you type a document you can email it to Miss Peterson.

Miss Peterson 605-645-7614 [leah.peterson@k12.sd.us](mailto:leah.peterson@k12.sd.us)

List at least 10 actions you did today Example (sleep, eat, walk, jump)	Listen to a story on <a href="https://www.storylineonline.net/">https://www.storylineonline.net/</a> and tell who the characters are, where it took place (setting) and your favorite part	Watch a movie Write 3-4 sentences telling what it was about (beginning, middle, end). Who are the main characters? What was your favorite part?
Choose 3 character traits from the list on the next page and write 3 complete sentences.	Spend 20 minutes on Exact Path, choose one of the assignments on there.	Find a recipe and read the ingredients and directions and make it with a parent.
Read a book of your choice for 15 minutes!	Watch Mystery Doug. Can animals laugh? <a href="https://mysterydoug.com/mysteries/animals-laugh#slide-id-7575">https://mysterydoug.com/mysteries/animals-laugh#slide-id-7575</a> Write 2-3 sentences	Listen to or read a story on Epic! for 20 minutes. Write down the stories you listened to or read
